ADULT SUNDAY SCHOOL

What does that mean?

Dealing with difficult topics in the bible.

John Pennylegion & Tobias Riggs

The bible is God's revelation to his people. And for anyone who has read it, there are many parts that can be difficult to understand, seem strange and bizarre, and can be flat out confusing. How are we to approach and make sense of those passages that make us scratch our heads? In this class we'll be looking at some of the passages that leave us confused so we can know more of our God and love his word more deeply.

Biblical Sex

Glen & Sophia Berkel, & Daniel Patton

God created sex, affirms sex and wants a husband and wife to have sex for the purposes of recreation and procreation (Lord willing). Over the course of several weeks we will be studying God's design for this gift, the joys of sex and the healing and restoration the Gospel offers when we are sexually broken.

Becoming a People of Prayer

Leaders: Gary & Janice Mohnsen

Join us as we pray together! We focus on different topics each week (Missions, CTK leadership, Children's Ministry, etc) along with an opportunity for sharing personal requests. Come and be changed by the Lord through community and intercession!

CHILDRENS MINISTRY

Summer Sunday School Teacher Need

Children are a priority at Christ the King! We love and teach our youngest congregants about Jesus during the Sunday School hour before worship. This happens in age-graded classes: Toddlers (2-4yr. olds), PreK/Kindergarten (4-5 yr. olds.), 1st/2nd grade, and 3rd/4th grade. We have wonderful Children's Sunday School teachers but they are off duty for the summer quarter to give them time to be refreshed and return in the fall. Would you join our Summer Teaching Team? You would be teaching with a co-teacher, scheduled some Sundays and having weeks off as your schedule requires. Contact Donna Brinkman: dbrinkman@ctkroanoke.org
